

SHARE's Alcohol and Drug Program wins ASAP BC Award!

SHARE's Alcohol and Drug Program received the Association of Addiction Specialists and Allied Professional of BC (ASAP BC) Award for Excellence for both its Substance Use Services and its Community and School-Based Prevention Programs. "This is the Academy Awards for our sector", said Lynda Edmonds, SHARE's Director of Programs and Services. Nearly 90% of program participants report that three months after counseling that their relationship to substances is better and 100% of people who received counseling last year told us they were satisfied with the service.
